

## CASTOR BAH15C0100P2T2P0NA

| Product SKU                     | BAH15C0100P2T2P0NA              |
|---------------------------------|---------------------------------|
| Standard<br>Compliance          | DIN EN 12530                    |
| Series                          | P2T2 (antistatic)               |
| Fastening                       | Bolt fastening                  |
| Brake and<br>Direction          | back brake                      |
| Material of the<br>Wheel        | polypropylene (PP) wheel center |
| Tread                           | thermoplastic rubber tread      |
| Temperature<br>range            | -20°C to +60°C                  |
| Wheel Diameter                  | 100mm                           |
| Load Capacity                   | 70kg                            |
| Total Hight                     | 135mm                           |
| Width of Tread                  | 32mm                            |
| wheel hub Width                 | 36mm                            |
| Offset                          | 37mm                            |
| Fastening Bolt<br>Hole Diameter | 11mm                            |
| Swivel Radius                   | 132mm                           |
| Wheel Bolt Size                 | M8                              |
| Bushing<br>Diameter             | 12mm                            |
| Weight                          | 0.65kg                          |
| Wheel Bearing                   | plain bearing                   |
| Special Features                | antistatic                      |
