

## CASTOR BDXHHC0050N4N4P0N

| Product SKU                     | BDXHHC0050N4N4P0N           |
|---------------------------------|-----------------------------|
| Standard<br>Compliance          | DIN EN 12530                |
| Series                          | N4N4                        |
| Fastening                       | Bolt fastening              |
| Brake and<br>Direction          | back brake                  |
| Material of the<br>Wheel        | polyamide (PA) wheel center |
| Tread                           | polyamide (PA) tread        |
| Temperature<br>range            | -20°C to +60°C              |
| Wheel Diameter                  | 50mm                        |
| Load Capacity                   | 70kg                        |
| Total Hight                     | 70mm                        |
| Width of Tread                  | 18mm                        |
| wheel hub Width                 | 22mm                        |
| Offset                          | 25mm                        |
| Fastening Bolt<br>Hole Diameter | 11mm                        |
| Swivel Radius                   | 80mm                        |
| Wheel Bolt Size                 | M6                          |
| Bushing<br>Diameter             | 8mm                         |
| Wheel Bearing                   | plain bearing               |
|                                 |                             |
