

## CASTOR TPP58WC200P0P0P0N

| Product SKU               | TPP58WC200P0P0P0N               |
|---------------------------|---------------------------------|
| Standard<br>Compliance    | DIN EN 12532                    |
| Series                    | P0P0                            |
| Fastening                 | Plate fastening                 |
| Brake and<br>Direction    | back brake                      |
| Material of the<br>Wheel  | polypropylene (PP) wheel center |
| Tread                     | polypropylene (PP) tread        |
| Temperature<br>range      | -20°C to +60°C                  |
| Wheel Diameter            | 200mm                           |
| Load Capacity             | 250kg                           |
| Total Hight               | 235mm                           |
| Width of Tread            | 50mm                            |
| wheel hub Width           | 59mm                            |
| Offset                    | 55mm                            |
| Dimension of<br>Plate     | 135x110mm                       |
| Hole Spacing of the Plate | 105×84/76mm                     |
| Swivel Radius             | 165mm                           |
| Wheel Bolt Size           | M12                             |
| Bushing<br>Diameter       | 20mm                            |
| Weight                    | 2.2kg                           |
| Wheel Bearing             | plain bearing                   |
|                           |                                 |
